Or any combination not to exceed 160 gallons at any time. Trash containers that are 30 gallons or larger may be utilized to hold your trash bags.

- No loose household trash will be accepted. We also want to emphasize that yard debris, soils, construction material, etc. will NOT be accepted at any time. The contractor will not sift through all the bags to determine if there is normal household waste, they will leave it all behind and may tag your trash explaining why it was not taken.
- We have cleanups twice a year that you may participate in for larger items that we do not take during weekly trash such as furniture, bicycles, vacuums, appliances and such.

*** Continued violations will result in sanctioning at that address. ***

We also have a recycling program which we have two times a month on the second and fourth Mondays with the same holiday schedule pushing it to Tuesday when necessary. We have stickers for your receptacle that indicates it is used for recycling and brochures to explain what is accepted and what isn't. The items should be placed on the opposite side of the driveway or road to where you place your garbage. This also is required to be placed out by 7am.
